Meet your Neighbor!

Is your neighbor next door an avid water-skier? A gourmet chef? A rocket scientist? If you want to find out, now is your chance!

Come join your Neighborhood Council, Neighborhood Watch, and HOA for a rolling block party near your very own home!

Every main street will have booths set up where neighbors can say hello, mingle, snack, and make new friends. There's no pressure and no obligation, so even if you can only come for a few minutes we'd love to have you join us! See you there!

Saturday, August 6th

10:00am — 2:00pm
